beneficiary  
organization

10% of the net income from the sales of the game through [www.botme.com](http://www.botme.com) and Hong Kong operators will be donated to World Wide Fund for Nature (WWF) Hong Kong for conservation and environmental education work.

## Game Description

In the Poli - the Bear™ mobile game, you will take on the role of one of the three lost polar bear cubs in turn and help it fight for survival against the cruel and perilous virtual Arctic environment. The game simulates the difficult life cycles that polar bears really endure in the Arctic Circle. The polar bear cubs have lost their way on the ice. The brave little cubs must fight off hunters and learn to swim and fish for themselves as they try to find their way back home!

## Game Features

- A touching story of adventure and survival presented in a storybook style with high-quality graphics
- Adventure-based mini-games that coordinate with the exciting story
- Three adorable polar bear cubs from the "Poli" family to play with:
  - Roli — The bossy big brother
  - Moli — The sweet little sister
  - Boli — The silly little brother
- A one-time download pack of 4 exciting mini-games wrapped up in one:
  - "Escape from Hunters" sequence style mini-game
  - "Iceberg Adventure" driving style mini-game
  - "Fishing Trip" action adventure style mini-game
  - "Ice Breaker" sequence style mini-game
- Top Scorers recorded on a "Most Wanted" list, because if they have a high score it means they've played well at avoiding the hunters and surviving, thus making them "Most Wanted" by the hunters!

## Technical Specifications

- **Supported Handsets:** The Poli - the Bear™ mobile game supports the majority of 2.5G and 3G handsets by Nokia, Sony Ericsson, Motorola, LG, Sharp, Samsung and more.
- **Supported Platform:** J2ME MIDP 2.0/CLDC 1.0
