

V-boy™

your virtual boyfriend

Game Description

In the V-boy™ mobile game you will date all of the V-boys to find out who your true love is. As you get to know the V-boys better, you will also help them solve problems in their lives. There are 5 chapters to this love story filled with dozens of mini-games and puzzles. With the V-boy™ game on your phone, you will be able to take romance and entertainment with you wherever you go.

The V-boys come in all shapes and sizes. Each is unique and attractive in his own way. See who you like the best:

- Baxter is like a big teddy bear but he needs you to help him slim down.
- Jacky was a rock star before, can you help him get his groove back?
- Kai is a workaholic, help him to relax and loosen up.
- Bodybuilding is no longer boring if you're working out with the sexy fireman Rex.
- Have you ever dreamt of flying a plane? Fly with Skylar and impress him with your aviation skills.

Game Features

- Storyline with plot twists and surprises complete with over 30 exciting and challenging mini-games
- Realistic dating experiences with personalized intimate encounters
- Packed full of many entertaining 3D animated mini-movies
- High quality 3D graphics based on motion-capture technology
